RE: Church Ministry & Mission Pledge Form

The Presbytery of Susquehanna Valley receives two main sources of income. The first is Per Capita. Per Capita is the amount assessed each church member and is used for the Administrative Expenditures of the Presbytery. The second main source of income are the undesignated donations called Unified Mission Giving.

Unified Mission Giving is an opportunity for the local church to give toward the mission of the larger church above and beyond any special offerings or Per Capita Assessment. These financial commitments beyond per capita made by congregations for church wide mission giving provide the primary source of funding for the mission of the Presbyterian Church (USA). These commitments support the adopted budgets of Presbytery, Synod, and the General Assembly as each body fulfills its mission statement. Proportionate sharing is agreed upon by all the governing bodies. At this point in time the Presbytery retains 75% of the offering (unless the session of the church has designated a different amount), 25% is sent on to General Assembly, and 5% to the Synod of the Northeast.

The amount retained by the Presbytery of Susquehanna Valley provides the foundation for all the Mission work; 100% of the amount retained is used to support the Mission Expenditures in our budget and your support is needed! Please remember that our Presbytery Mission is:

The Presbytery of Susquehanna Valley lives to serve and encourage congregations as we together seek to be faithful to our calling in Jesus Christ.

Please prayerfully consider supporting the Presbytery of Susquehanna Valley, The Synod of the Northeast, and the General Assembly by making a pledge today toward the 2012 Unified Mission Giving.

Because the Unified Mission Giving income is an important part of our budget, we kindly ask that all forms are returned by February 13, 2012.
